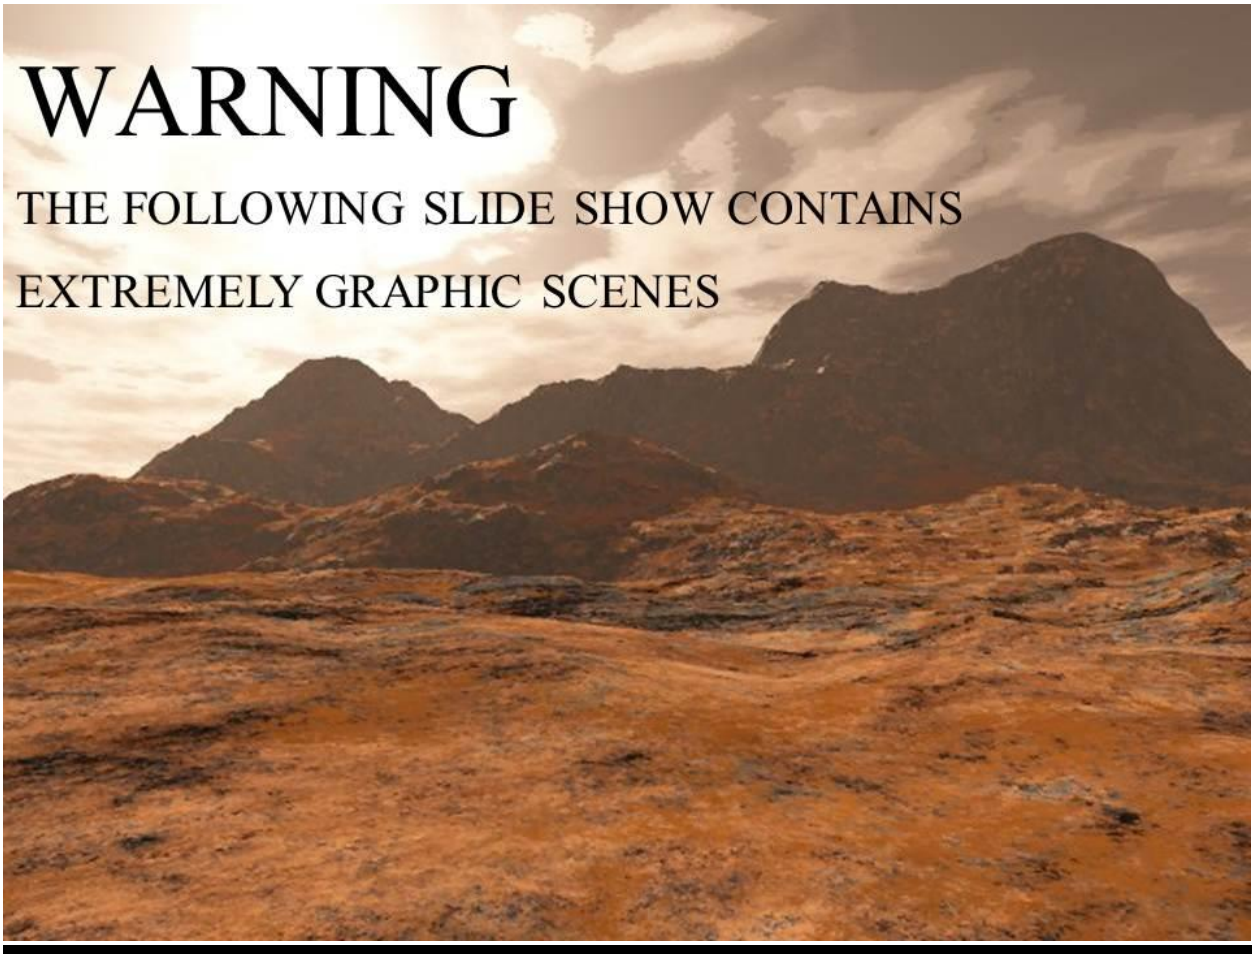
THE BLOODY TRUTH ABOUT ISLAM



In Islam, Muhammad is considered *al-insan al-kamil* (the "ideal man").

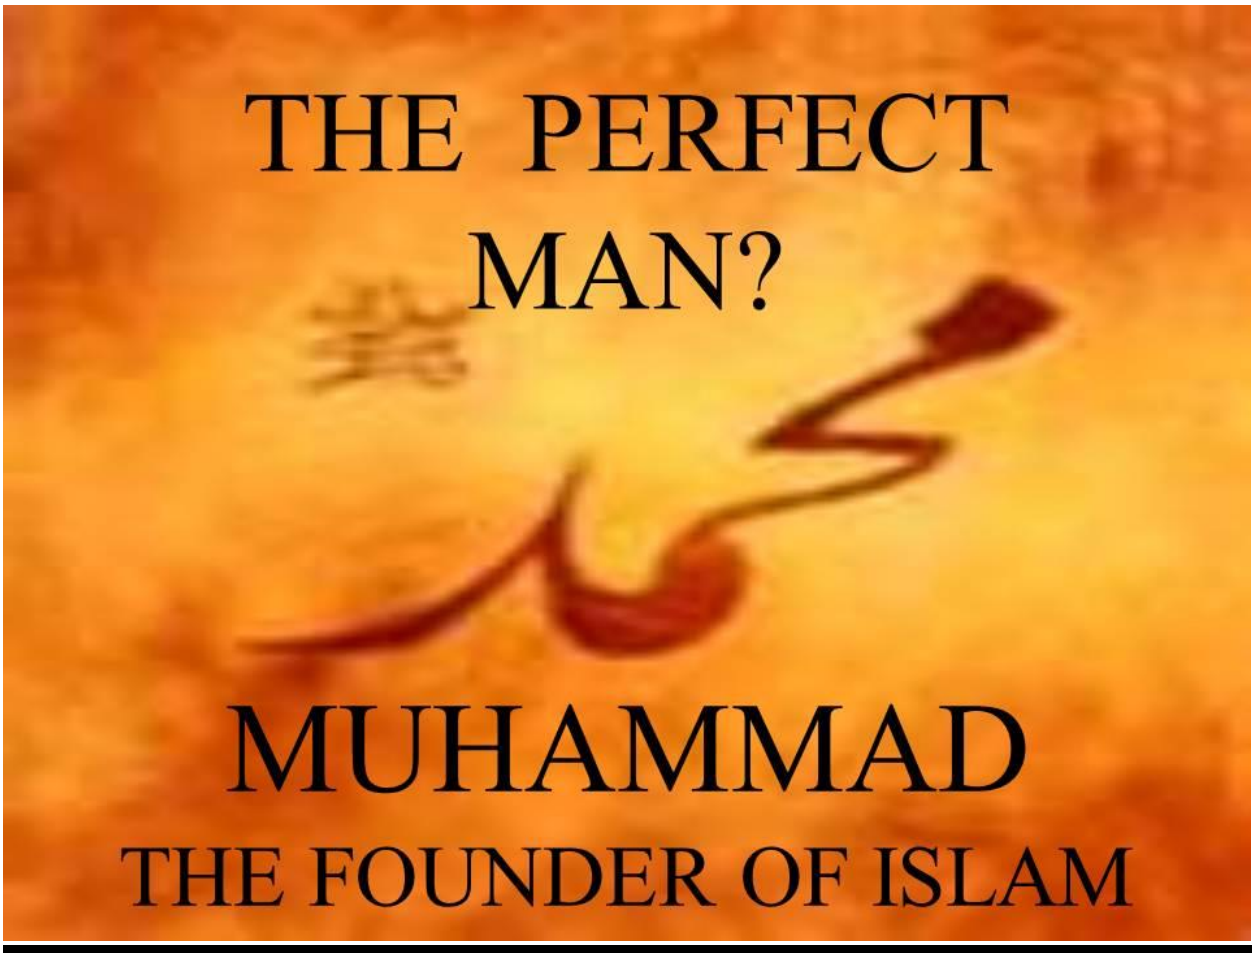
« THE PERFECT MAN »

He is "An excellent model of conduct". Qur'an 33:21.

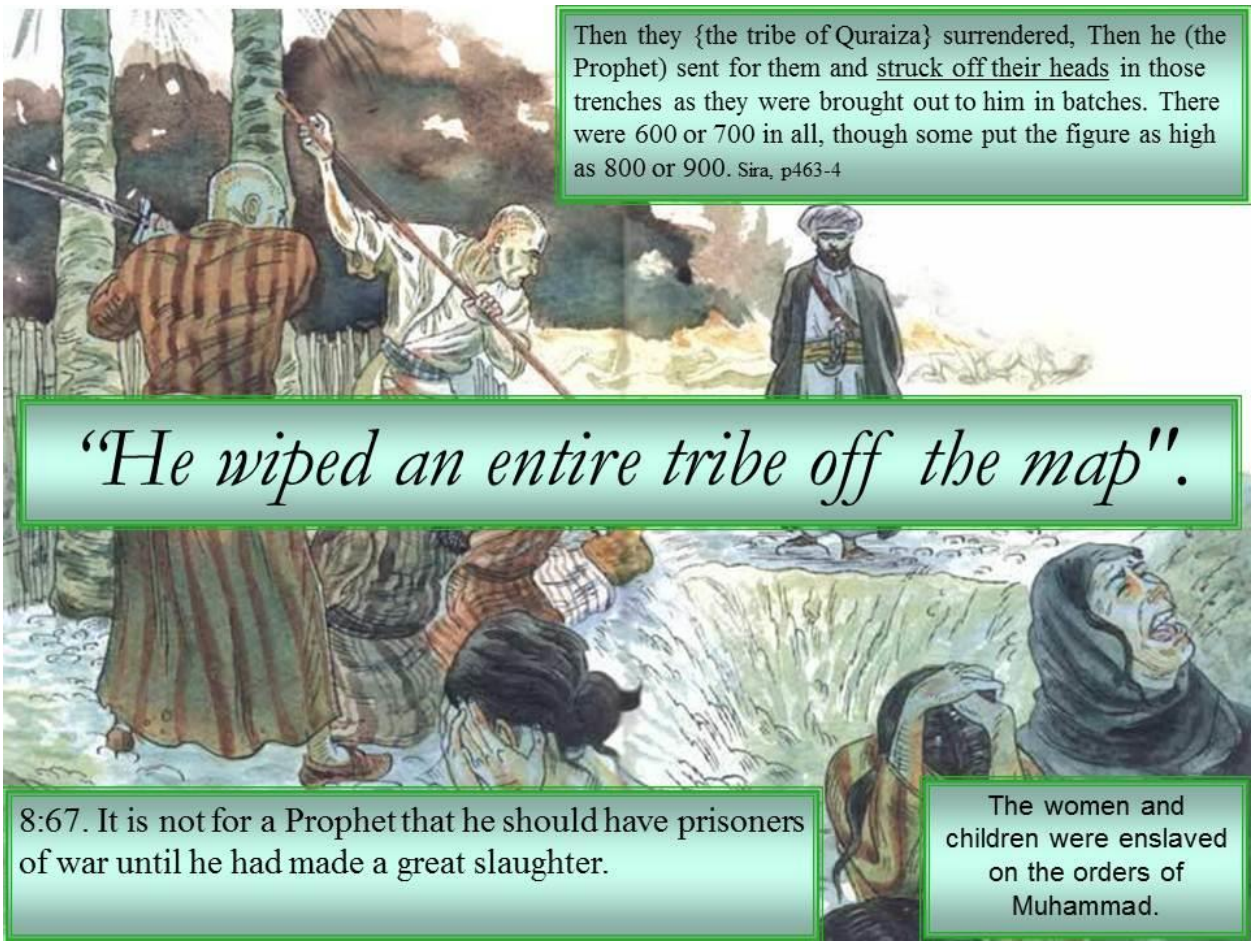
He demonstrates "An exalted standard of character". Qur'an 68:4.

The muslim's holy book instructs muslims repeatedly to obey Muhammad. (3:32; 3:132; 4:13; 4:59; 4:69; 5:92; 8:1; 8:20; 8:46; 9:71; 24:47; 24:51; 24:52; 24:54; 24:56; 33:33; 47:33; 49:14; 58:13; 64:12).

He is the supreme example of behavior for muslims to follow.



THE PERFECT
MAN?
MUHAMMAD
THE FOUNDER OF ISLAM



Then they {the tribe of Quraiza} surrendered, Then he (the Prophet) sent for them and struck off their heads in those trenches as they were brought out to him in batches. There were 600 or 700 in all, though some put the figure as high as 800 or 900. Sira, p463-4
"He wiped an entire tribe off the map".
8:67. It is not for a Prophet that he should have prisoners of war until he had made a great slaughter.
The women and children were enslaved on the orders of Muhammad.

Thus do we find the clear precedent that explains the peculiar penchant of Islamic terrorists to behead their victims: it is merely another precedent bestowed by their « Prophet »:

"I will instill terror into the hearts of the Unbelievers: smite ye above their necks and smite all their finger-tips off them." Qur'an 8:9-13.

Three girls have been beheaded … as they walked to a Christian school in Indonesia.

They were walking through a cocoa plantation near the city of Poso in central Sulawesi province when they were attacked.

The Imitation of Muhammad "The Perfect Man"

Muslims, as part of religious observance, not only obey,
but also seek to emulate and imitate
their « Prophet » in every aspect of life.

لا إله إلا الله محمد رسول الله
In this uniquely Muslim sense of the term, the word "moral" is defined as "whatever Muhammad does."

The Supreme example of behaviour for Muslims to follow

Qur'an 9:5
"...kill the unbelievers wherever you find them."

. "Therefore, when ye meet the Unbelievers, smite at their neck" Qur'an 47:4

NEED INSTRUCTIONS ?

HOW TO BEHEAD

Hold him
Tie the arms behind his back
And bandage his legs together
Just by the ankles
Blindfold the punk
So that he won't hesitate as much
For on seeing the sharp pointy knife
He'll begin to shake
And continuously scream like an eedyat and jiggle like a jelly
Trust me–this will sure get you angry
It's better to have at least two or three brothers by your side
Who can hold the fool because as soon as the warm sharp knife
Touches his naked flesh
He'll come to know what'll happen
It's not as messy or as hard as some may think,
It's all about the flow of the wrist.
No doubt that the punk will twitch and scream
But ignore the donkey's ass
And continue to slice back and forth
You'll feel the knife hit the wind and food pipe
But don't stop
Continue with all your might.
About now you should feel the knife vibrate,
You can feel the warm heat being given off,
But this is due to the friction being caused.

Stoning
It's virtually impossible to prove rape.
Muhammad's law requires four male witnesses to prove it.
The victim's charge of rape becomes an admission to adultery.

MURDERER PROPHET?

History shows that Muhammad murdered numerous people whose only crime was writing poems against him.

See, for example, Ibn Ishaq, pp. 675-676,where Asma is murdered in her house for writing a poem against Muhammad.

In Ibid., pp. 364-368, Ka'b is murdered for writing poems against Islam.

Ibid., pp. 550-551, states that Muhammad gave orders to kill (1) al-Hawayrith for insulting him, (2) a woman named Sara who had once insulted him, and (3) Abdullah's two singing girls for singing songs about Muhammad.

Therefore, when ye meet the unbelievers, smite at their necks and when you have caused a bloodbath among them bind a bond firmly on them...

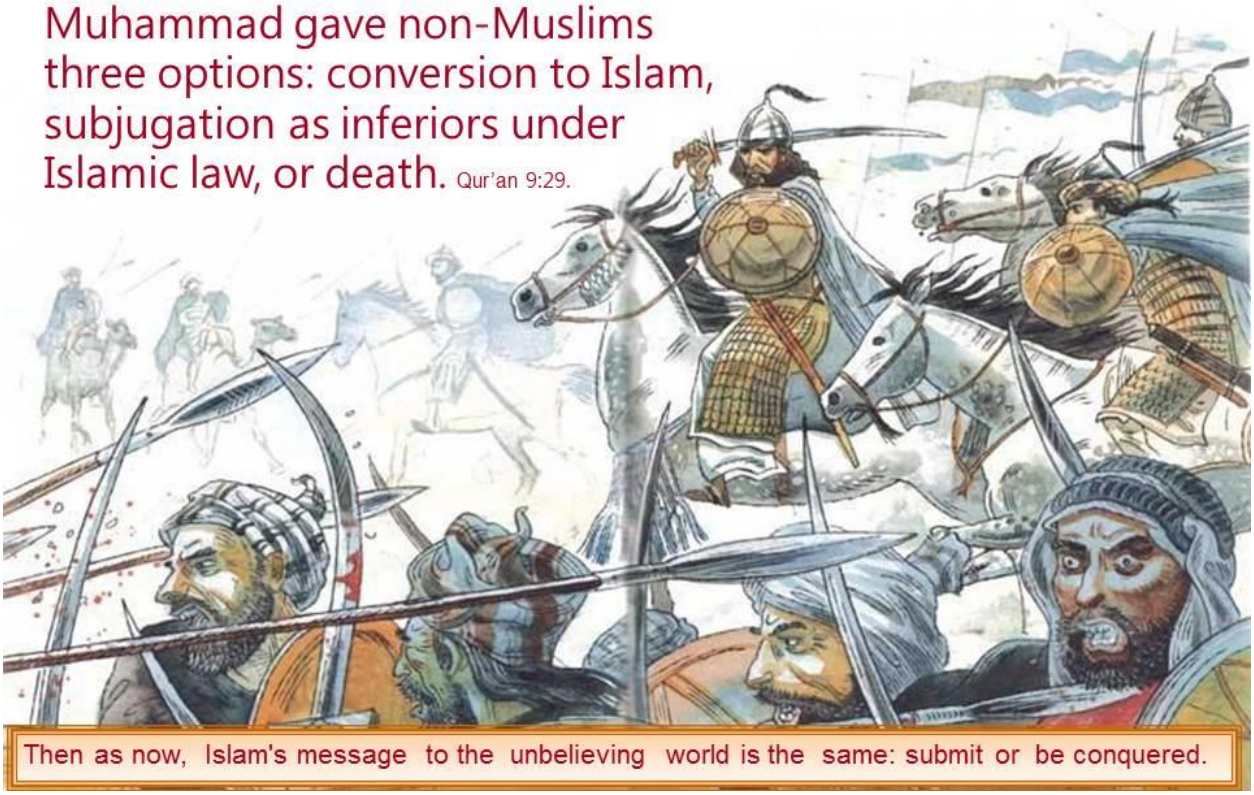
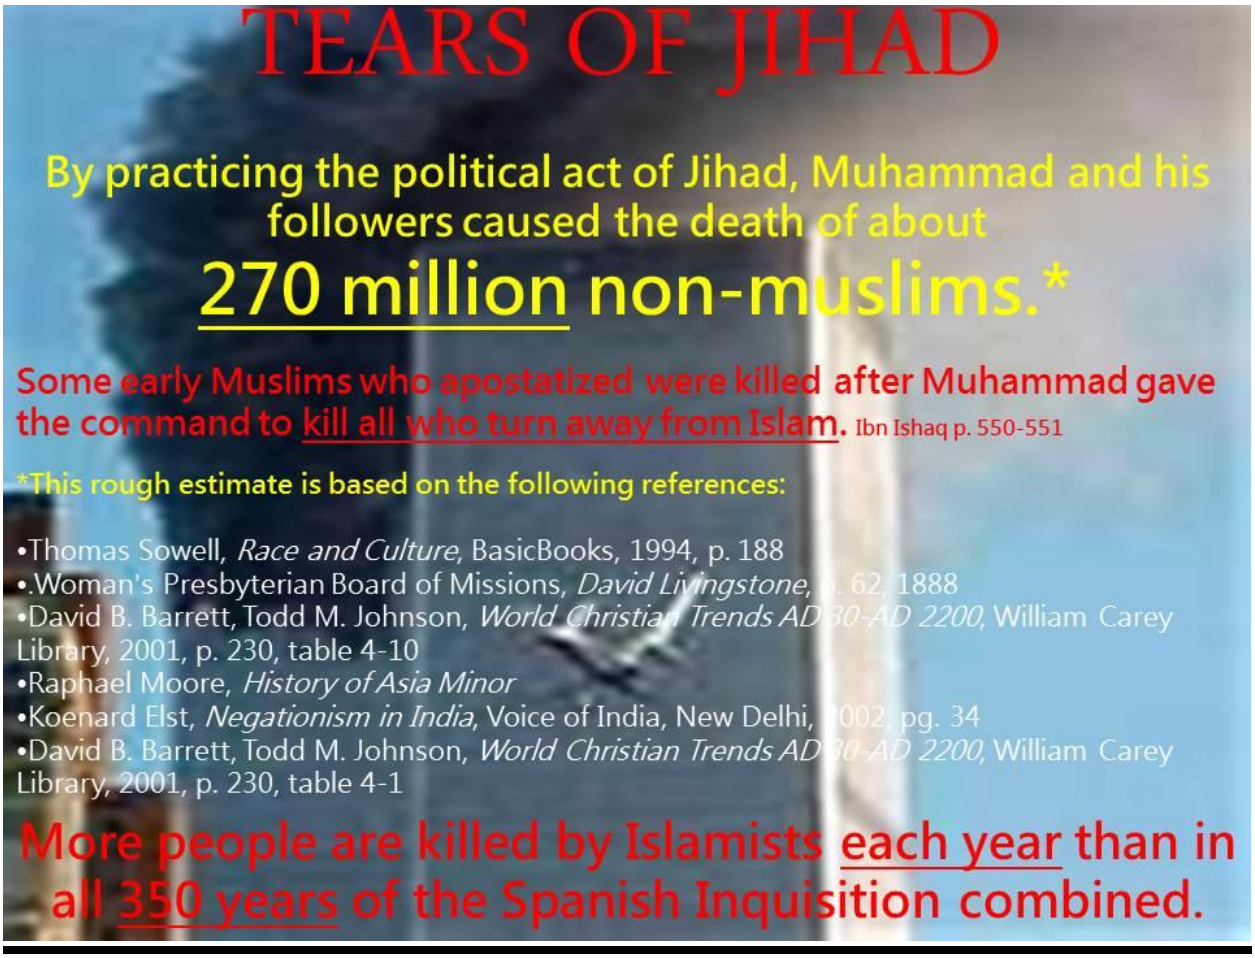
THE THREE CHOICES

Muhammad gave non-Muslims three options: conversion to Islam, subjugation as inferiors under Islamic law, or death. Qur'an 9:29.



Then as now, Islam's message to the unbelieving world is the same: submit or be conquered.



TEARS OF JIHAD
By practicing the political act of Jihad, Muhammad and his followers caused the death of about
270 million non-muslims.*
Some early Muslims who apostatized were killed after Muhammad gave the command to kill all who turn away from Islam. Ibn Ishaq p. 550-551

The "greatest moral example in history" chose robbery as his chief source of income. Indeed, Muhammad deliberately used the spoils of war to lure people to Islam.

Ibn Ishaq, p. 596.

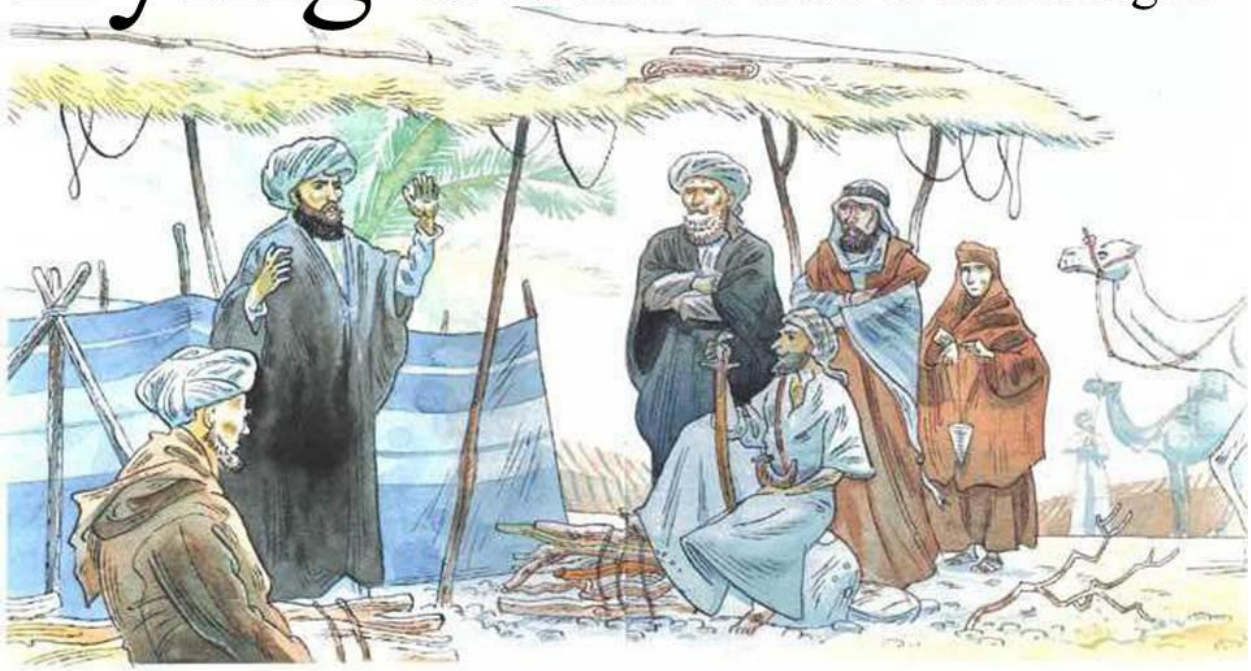
Lying

Anything Muhammad does is, by definition, moral.

for the sake of Islam is encoureaged



Systematic lying to the infidel, must be considered part and parcel of Islamic tactics.

CUNNING PROPHET?

God never woos his devotees in the name of sex, but the Qur'an does, as it was the handiwork of a cunning Prophet Muhammad who created his own concept of Allah to satisfy his unbound lust for women, power and money.

Bertrand Russell:

Thus, over a billion people believe in Allah without truly knowing what Allah supposedly stands for or what he really demands of them. And the minority that do understand continue to be Moslems because they have redefined their morality and ethics to fit within the teachings of Islam, which are floridly lacking in morality. They therefore redefine what is good and evil in order to fit their lives into what is preached by Islam, instead of examining Islam to see if it fits within the good life. Backwards thinking, imposed by a backward religion.

ONLY BY FORCE

Report written by Thomas Jefferson and John Adams.

"…that it was founded on the Laws of their Prophet, that it was written in their Koran, that all nations who should not have acknowledged their authority were sinners, that it was their right and duty to make war upon them wherever they could be found, and to make slaves of all they could take as Prisoners, and that every Musselman who should be slain in Battle was sure to go to Paradise."

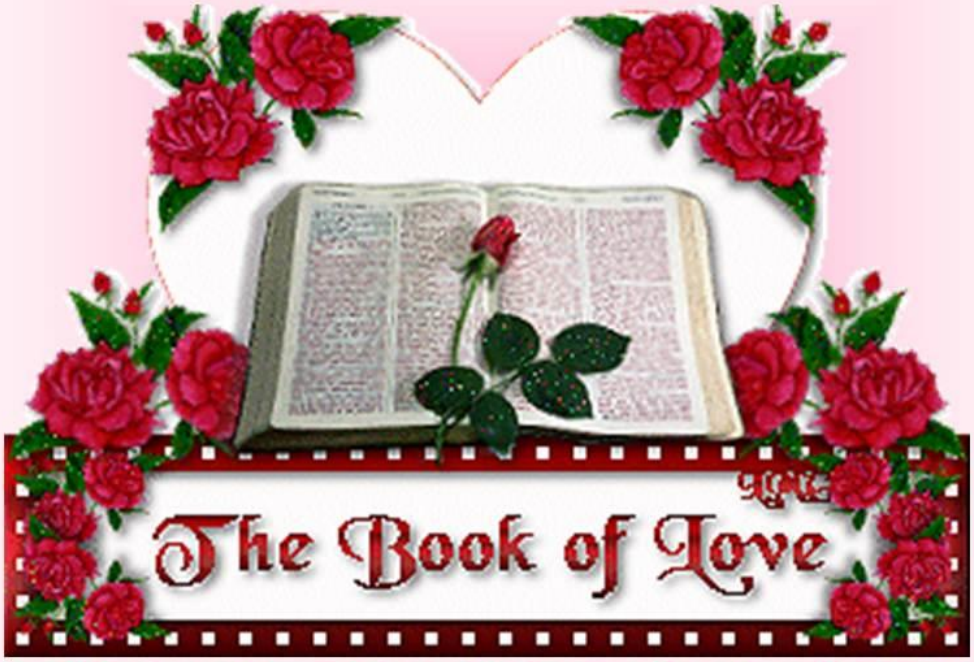
"As the essential principle of his [Muhammad's] faith is the subjugation of others by the sword; it is only by force, that his false doctrines can be dispelled, and his power annihilated." John Quincy Adams, writing in about 1829

Muhammad's ultimate Manual of terror

"One, who worships other gods must be slain, his lands & properties must be looted and his women must be raped." (8:69 & 23:6).

The Qur'an exhorts Muslims for war (2:216), legitimates booty (8:1 & 41) and the rape of women of other religions (4:24 & 33:50).

GOD IS LOVE



Love is of God, and he who loves is born of God and knows God. He who does not love does not know God; for God is love. 1John 4:7-8

The Satanic Verses

At times he believed he was demon-possessed or under the effect of magic.

"The Perfect Man" was also known to be suicidal.

Muhammad admittedly received a message from Satan and delivered it to the people as if it were from God.
Qur'an 17:73-75 {The Satanic Verses}

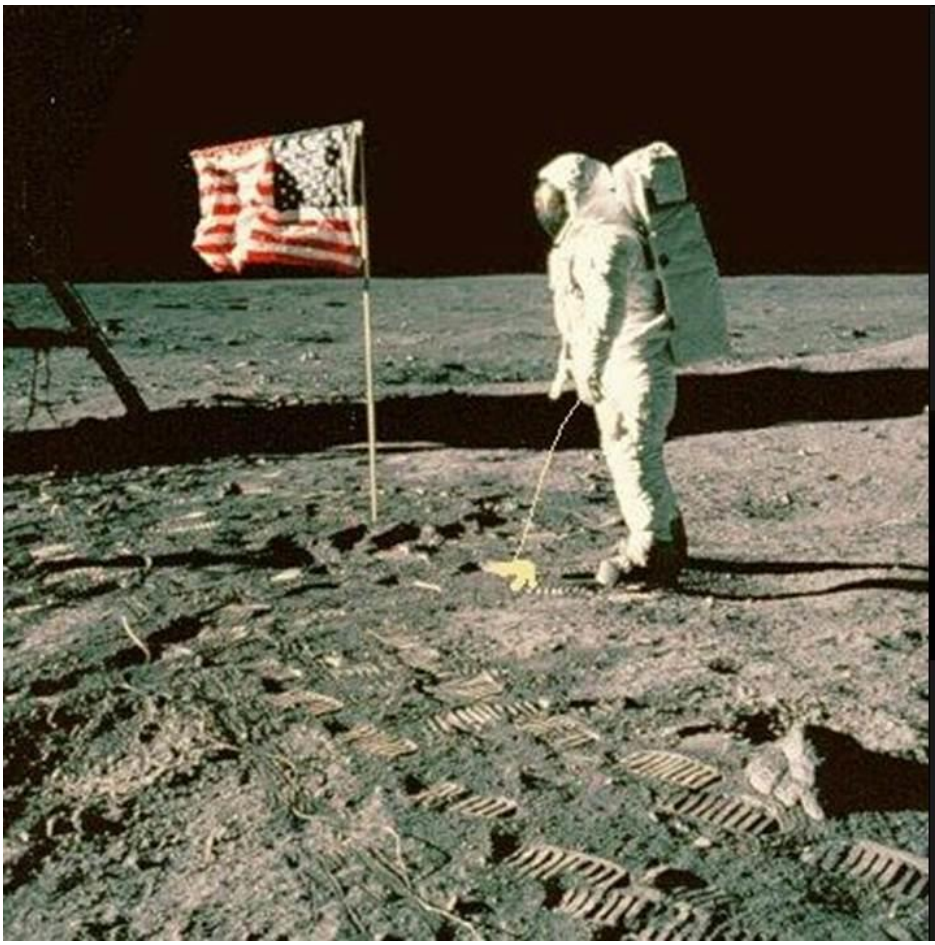
Allah

(The moon god)

God of sex and war

The phrase, "no god but Allah" proves "Allah" is not just another word for "God" to the Muslims. The transliterated phrase from Arabic reads, "La ilaha illAllah." A word for word translation into English would read: La [no] ilaha [god] ill [except or but] Allah [Allah]. The important thing to note is that the word "Allah" is a name and is not the word for god. If "Allah" were the word for god, then the phrase would read, "there is no allah but allah. Clearly it does not. The Qur'an itself claims that Allah is the personal name of the Islamic god: (017.110) "Say, Call Him Allah or call Him Ar-Rahman; whatever the name you call Him, all His names are beautiful." If "Allah" were the word for god, then Islam's god is nameless. There is also no evidence that the word "Allah" is a contraction of the words "al ilah," which means, "the god." If it were, then again, the phrase would read, "there is no allah but allah." As part of the first "Pillar of Islam," this issue is critical as Islam claims that the God of the Bible (whose name is Yahweh) and Allah are one in the same and that we all, therefore, worship the same god.

Muhammad completely hijacked Allah, which was prayed as moon god in Arabian Peninsula.



"Steps" on the Moon

SELF-PROCLAIMED PROPHET?

MUHAMMED IS THE ONLY FOUNDER OF A CULT WHO WAS HIMSELF A RULER, CONQUEROR, ENSLAVER, BANDIT, MURDERER, RAPIST, POLYGAMIST, PEDOPHILE AND SELF-PROCLAIMED PROPHET

He massacred and exterminated all the Jews from Arabia and instigated hatred between his followers and the Jews that has lasted for over 1400 years and has cost millions of lives. Prior to him Arabs, Jews, Hindus, Christians lived in harmony and were allies.

He sent assassins to kill his critics in the middle of the night, who committed no other crime than composing poetries ridiculing his holiness, even if they were old or mothers of several infants.

He raped girls 40 years younger to him whom he captured in his raids on the same day that he killed their relatives.

He enriched himself by looting caravans, killing the men, usurping their properties and selling their wives and daughters as slaves.

He enriched himself with spoils of his wars on defenseless people, he invaded the boundaries of decency and performed sex with women and children, some he married, some he captured in wars, some were his slaves and maid servants. He had sex with the beautiful wife of his own adopted son.

Muhammad founded a cult that has brought nothing but hatred and discord between his followers (among themselves) and his followers and the rest of mankind.

"Show me just what Prophet Muhammad brought that was new, and there you will find things only evil and inhuman."

Which of you convicts me of sin?

john 8:46

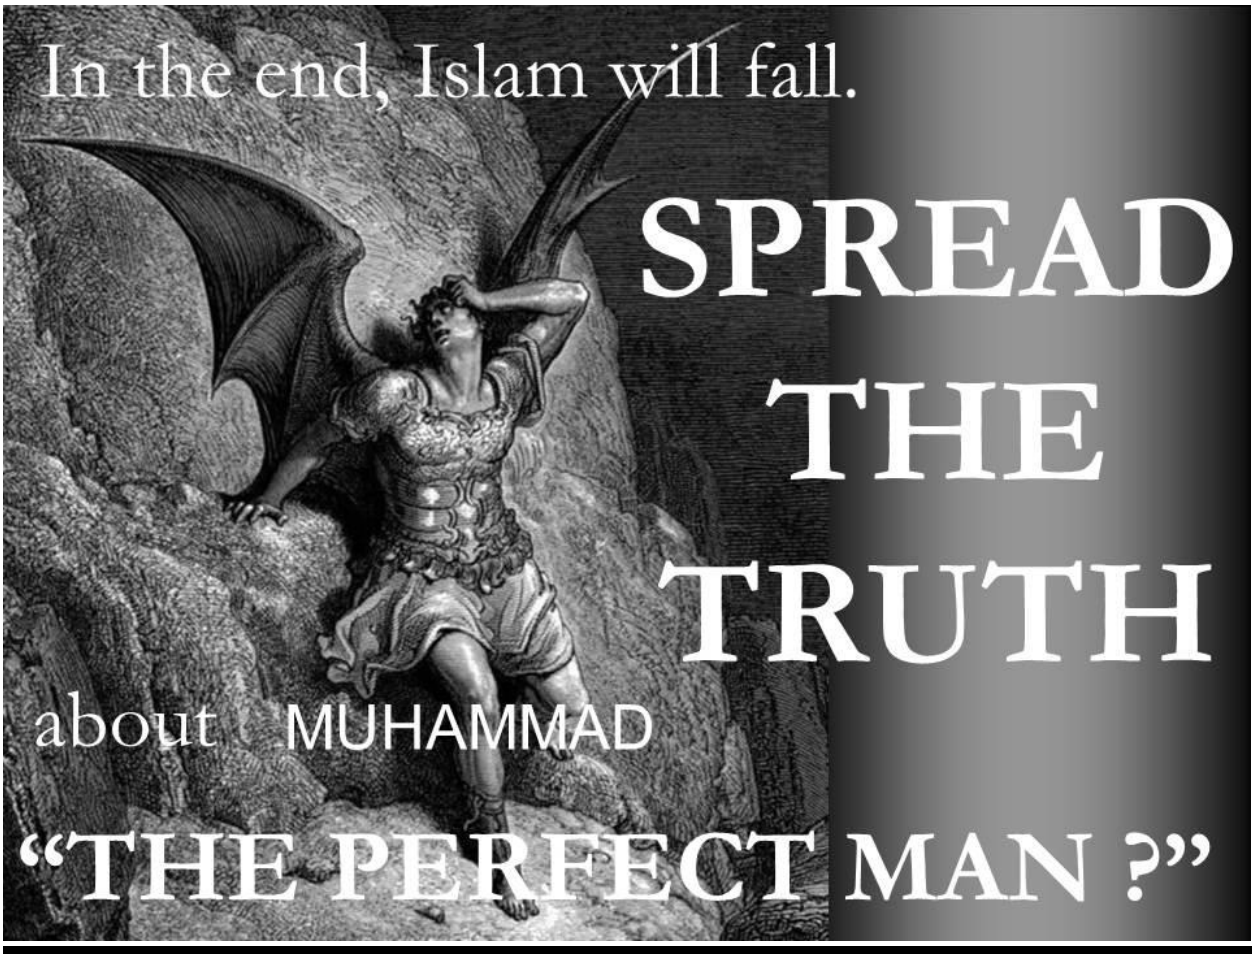
THE MOON UNDER HER FEET

The facts about the founder of Islam are spreading very rapidly, and Muslims are frantically scurrying to defend their faith.

But the information superhighway is paving over the ignorance that has for centuries been the stronghold of Islamic dogma.

In the end, Islam will fall, for the entire structure is built upon the belief that Muhammad was the greatest moral example in history, and this belief is demonstrably false.

And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon under her feet … (Revelation 12:1)



In the end, Islam will fall.
